

9th International Symposium in Science and Technology at Cheng Shiu University 2014

Introduction

The International Symposium in Science and Technology was first held in Kansai University, Japan in 2006. The purpose of this symposium is due to the academic exchange activity between the Graduate School of Engineering of Kansai University and its partner schools. This year, the Symposium will be held in Cheng Shiu University, Kaohsiung, Taiwan. The 9th International Symposium is to promote these activities in the field of Life Science, Chemistry and Materials, Information Technology and Electrical/Electronic Engineering, Mechanical Engineering, Civil Engineering and Architecture. Everyone is welcome to submit papers and visit Cheng Shiu University.
